Hanh – Likewise. Here is what we have for an agenda. We should have a response for EPA's questions on the MLC ROV system shortly as well.

Regards,

Greg

EPA NPDES Exploration General Permit

Technical Meeting – NOIs, EMP, & Mudline Cellar Alternative Meeting Agenda

Introduction

- People / new roles and responsibilities

1. Tracey Anderson – Project Lead

Subject: RE: Notices of Intent - EMP

Hi Greg,

I am looking forward to seeing you on October 9. Please send a draft agenda and the Shell attendees for the meeting. Also, do you know when we should expect to have the modeling reports?

Thanks,

Hanh

Hanh,

Please find attached Shell's Environmental Monitoring Plan (EMP) and associated Appendix A and Appendix D. Please accept as a pre-read for the meeting planned for 9 October. Please note that Appendices B and C are modeling reports and are not included in this pre-read package. Please feel free to contact me should you or others wish discuss the contents of these

documents ahead of time.

Regards,

Greg
